

Shearwater divers can now link their network of devices and have the flexibility to share information between them all. The power to dive log is now in your pocket.

- All your dive information at your fingertips
- Review, edit, and synchronize dive logs
- Works with your desktop, phone, or tablet
- Update firmware or change your language on the go
- Available in 13 languages

#### FEATURES

Decompression computer	✓
Open Circuit	✓
Trimix / Nitrox / Air compatible	✓
Bühlmann GF	✓
Rebreather	✓
Closed circuit fixed PPO2	✓
Closed circuit external PPO2	Models with external connectors only
Semi-closed circuit external PPO2	
Gauge mode	✓
Bluetooth® Wireless Technology	✓
3 axis, tilt compensated, digital compass	✓
Upgradeable firmware	✓
Air integrated	✓
Number of transmitters (optional)	Up to 4
Vibration motor alerts	✓

#### PETREL 3 SPECIFICATIONS

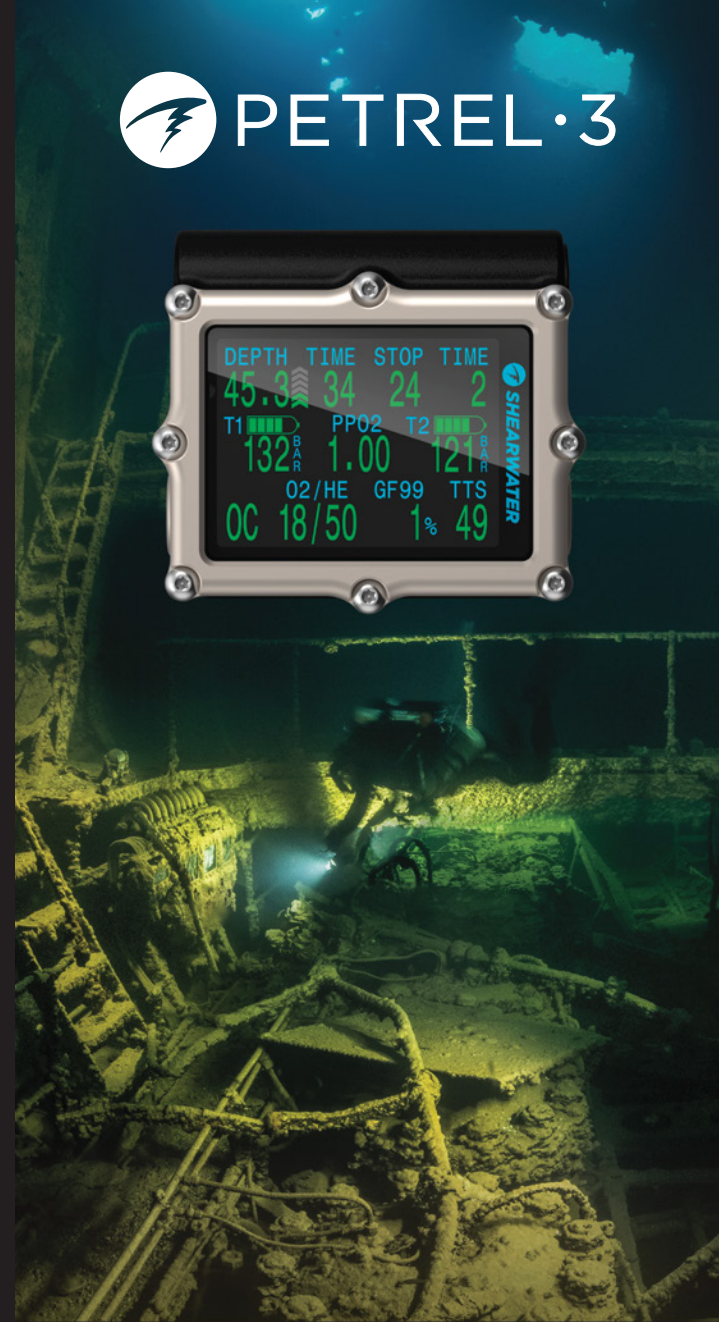

Screen resolution	320 x 240
Display type	AMOLED
Display size	6.60cm / 2.6"
Lense material	Aluminosilicate toughened glass
Dive computer weight	SA - 266g / 9.38 oz EXT - 285g / 10.05 oz
Battery type	Single AA (Any Type)
Battery life (AI enabled)	up to 40 hours (AA alkaline) up to 100 hours (Saft LS14500)
Number of gases	5 OC / 5 CC
Depth rating	290m / 950ft
Dive log capacity	up to 1,000 Hours

#### SWIFT TRANSMITTER SPECIFICATIONS

Battery type (user replaceable)	CR2 3V
Battery life (HP pressure present)	up to 300 dive hours
Depth limit	200msw
Rated air pressure	300bar / 4350psi

#### OPTIONAL ADD-ONS

VPM unlock code / DCIEM	✓
SWIFT smart AI transmitter	✓

AIR INTEGRATED

Powerful • Simple • Reliable

[www.shearwater.com](http://www.shearwater.com)

PETREL 3 gives divers our most connected experience. A stunning, easy-to-read, 2.6" AMOLED display is protected by a toughened glass lens, titanium bezel, and piezo touch buttons.

Air integration is standard with up to four Shearwater transmitters to customize a solution from open circuit to rebreather and bailout gas pressure monitoring.

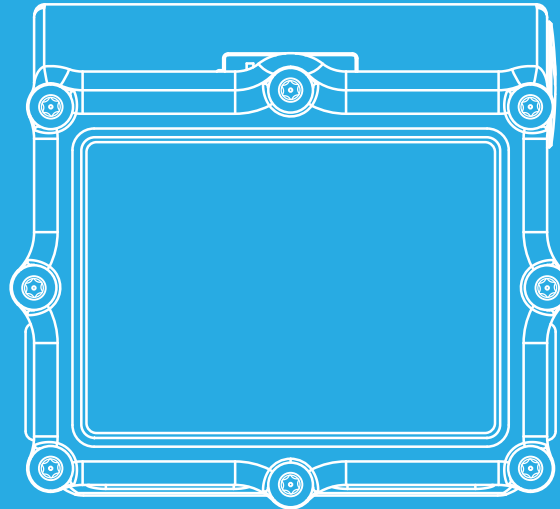

Safety is increased with a strong vibration alert system, and a user-changeable AA battery offers long dive times and ease of replacement.

Learn more about the PETREL 3 at: [www.shearwater.com/products/petrel-3](http://www.shearwater.com/products/petrel-3)

Powerful, Simple, Reliable  
and now with

# AIR INTEGRATION

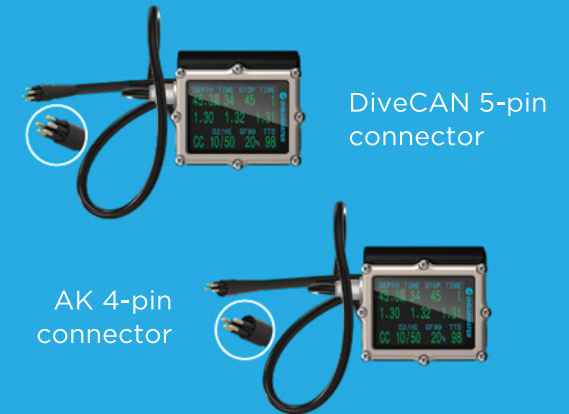

- HIGH CONTRAST AMOLED DISPLAY
- MULTIPLE DIVING MODES
- THIN, LOW-PROFILE DESIGN
- TWO BUTTON INTERFACE
- TITANIUM BEZEL AND BUTTONS
- ALUMINOSILICATE TOUGHENED GLASS SCREEN
- USER REPLACEABLE AA BATTERY
- USER CUSTOMIZABLE DISPLAY
- VIBRATION MOTOR ALERTS
- MULTIPLE TANK CAPABILITY
- MULTIPLE LANGUAGE OPTIONS

The PETREL 3 Fischer optionally connects with up to four Shearwater Swift transmitters, making it ideal for a customizable advanced diving computer solution.

PETREL 3 monitor with a hardwired cable terminating with:

\*Shearwater does not provide any technical support for wiring CCRs, or advice on the suitability of a model for use with a CCR.
